

Introduction to The Memorandum of Understanding (MOU)

CALL TO ACTION:

"All that tyranny needs to gain a foothold is for people of good conscience to remain silent."

Thomas Jefferson

Dear Canadian Citizen, Indigenous Communities and Permanent Residents:

Thank you for choosing to take part in this unprecedented Nationwide movement. Canada Unity represent and defends a coalition of **Concerned Canadian Citizens & Permanent Residents, Indigenous Communities, Employers, Employees from private and government bodies, Institutions & Businesses at large**. The bond we have in common is that we stand opposed to the current unlawful restrictions and discriminatory SARS-CoV-2 (and not limited to SARS-CoV-2 subsequent variations) mandates.

The key to ending the current spike in discrimination and segregation issues impacting millions of Canadians resides within this attached "Memorandum of Understanding" or MOU. Few of us may be familiar with what this document is. To briefly summarize, an MOU is a governing contract where two or more parties agree to start negotiations.

In this case the parties are "THE PEOPLE OF CANADA" the "SENATE OF CANADA" as well as "THE GOVERNOR GENERAL OF CANADA." The matter to be discussed and agreed upon is this; The Federal Government and the Governor General are to uphold and enforce all Canadian and International Human Rights Laws that are clearly laid out in the MOU or "RESIGN their lawful positions of authority Immediately".

By having the Federal Senate and Governor General sign this MOU into action, they agree to immediately cease & desist all unconstitutional, human rights violations, discriminatory and segregating actions. It calls for an immediate instruction to all levels of the Federal, Provincial and Municipal governments to not only stop but furthermore wave all SARS-CoV-2 (and not limited to SARS-CoV-2 subsequent variations) fines that have been issued and imposed upon its citizen's, institutions, and private enterprises. Further, to immediately re-instate all federal employees in all branches of governments and not limited to promote the same to the private industry and institutional sectors employees with full lawful employment rights prior to wrongful and unlawful dismissals. Lastly it instructs all levels of Government and Private Sector that the Illegal use of a Vaccine Passport anywhere on Canadian Soil is to cease & desist Immediately.

What can I do as a Canadian?

You can be a hero; you can stand for truth and justice today with hardly any effort. Please take the time to read the attached MOU. If you believe in what Canada Unity is doing, add your signature and your voice to this document before it heads to Ottawa. Let the Federal Senate know that you are aware of your Human Rights and that you are demanding they be upheld and enforced. You are not just standing for yourself by doing this. You are standing up for everyone you know and even those you will never meet. By signing, you are saying you want the Law to be returned to Ottawa!!

Let us make history in Unity, we trust and thank you for your commitment and undivided support.

Respectfully,

From the Desk of Canada Unity
